

Product: Magnesium Bisglycinate

Description

Magnesium participates in more than 300 chemical reactions in our body, but, despite exists in many foods, magnesium deficiency in the population today is widespread.

Function

Product: Magnesium Bisglycinate

Directions / Precautions

Adults should take 1 tablet daily or according to professional prescription. Should not be exceeded the recommended daily dose. If you have any health problems, consult your doctor first. The supplements should not replace a varied and balanced diet and a healthy lifestyle. Not recommended for persons under 18, pregnant or lactating women, unless prescribed/recommended by doctor/pharmacist. Store in a cool, dry place. Keep out of reach of children.

Packaging

- Pack size : 200cc
- Net weight : 150g
- Total weight
- Type : comprimidos
- Quantity : 120
- N.º embalagens p/caixa:
- IVA 23%
- Reference : ECO MAGNÉSIO
- Barcode : 5600283759128

Indications

Magnesium Bisglycinate can be an ideal nutritional supplement for individuals who want support/help to replenish the ideal values of this mineral in the body, favoring the reduction of tiredness and fatigue and helping in the normal functioning of the nervous system and muscles, normal protein synthesis, normal psychological function, maintenance of normal bones, normal energy-producing metabolism, balance of electrolytes, maintenance of normal teeth, the process of cell division, maintaining blood pressure levels, and boosting immunity.

Allergens

Contains no known allergens.
